

TRILLIUM CHAPTER

Is one of your favourite pastimes to

FREE BEER

from the can it's in, and save that empty can?

If so, you might be interested in joining the Trillium Chapter of the BCCA. We used to be the Beer Can Collectors of America, but now we're the Brewery Collectibles Club of America.

We could tell you joining the Trillium Chapter will:

- ◆ improve your social life
- ◆ get you a higher paying job
- ◆ increase your IQ by a significant amount

However, Truth in Advertising laws prevent us from saying those things, although you will make new friends. So, all we'll tell you is we meet regularly, issue an informative and entertaining newsletter four times a year, host one major trade show each year in Toronto and generally have a lot of fun doing it.

What does all this fun and frivolity cost? Thought you'd never ask. They say the best things in life are free. This isn't...so what does that tell you? Really, though, it's just \$12.00 a year (Canadian funds if you live in Canada; U.S. funds if you live in the U.S.), or \$15.00 Canadian if you live anywhere else in the world. Our year runs from December 1 to November 30. If you join in the middle of the year, membership fees will be pro-rated or back issues of the Chapter newsletter, *Trillium Tales*, provided.

If you like beer and beer cans, you owe it to yourself to join!!!
